

Ancient Path - Real Love

with Nicola Amadora PhD.

At Open Secret Bookstore in San Rafael

28th February 2014, 7-9pm, \$15

Love beckons us to uncover the gold in the depth of an open heart. Here we are filled, separated we inevitably suffer.

What helps us to truly connect and align?

Love's mystery invites us to the feast, just as we are. Despair, hunger, joy... all can be met, when we are willing to be really here.

This profound path reveals what it takes to fully live and love in our daily affairs and relationships. And its fire evokes greatness of soul to make a difference in the world, amidst the horror and beauty we encounter on the way.

Come, drink from the red wine....

...and be inspired by the greatest calling of our time!

This is a series of five evenings. Each session will include talk, experience and practice. Wherever you are on the path a gift awaits you here. You are welcomed to join for any evening. For those who wish to journey deep, the teachings will be built upon each satsang.

You are invited to delve into the mystery and down to earth to live it.
